

What the directories say...

“Brick Court Chambers is without a shadow of a doubt one of the foremost sets of barristers’ chambers in the country.” Chambers & Partners 2014

Brick Court Chambers and individual members are widely and consistently recognised and recommended across numerous areas of law by legal directories.

Please see the left sub menu for quotes from the current and past editions of the main directories, Chambers & Partners and The Legal 500, as well as others.
