Bills of Lading

Richard Aikens, Royal Courts of Justice, UK, **Richard Lord**, Brick Court Chambers, UK and **Michael Bools**, Brick Court Chambers, UK

Series: Lloyd's Shipping Law Library

Bills of Lading form an essential part of the carriage of goods by sea and international trade. Their multi-functional nature, together with the large volume of case law and regulation, make the law in this field as complex as it is commercially vital. This bestselling book provides a detailed analysis of the law and practice applicable to bills of lading before, during and after shipment, helping today's busy practitioner to quickly and easily find the information they need.
